Mr. Barry Lamperd
CEO
Lamperd Less Lethal Inc.
1200 Michener Road
Sarnia, Ontario N7S

Dear Barry:

Re: Letter of Thanks for Participation in SLEP Video Initiative

On behalf of Sarnia-Lambton Economic Partnership, I want to thank you and the entire team at Lamperd Less Lethal for their participation in Sarnia-Lambton Economic Partnership's video initiative. The purpose of the initiative is to showcase innovative and successful companies in Sarnia-Lambton area. Ten business were selected to participate in the program. The videos and written profiles will be promoted online and through social media, and you will receive your video to use for promotional activities.

Sarnia-Lambton Economic Partnership was extremely pleased when you agreed to allow the business to be showcased. Lamperd Less Lethal has a long-standing history in the area and over the years has been able to remain innovative and very competitive in a global market.

It was wonderful to have the opportunity to tour the facility, experience firsthand the various production processes, and to have instruction on how to use several of your products. I was extremely impressed with the ease of use of the products from the shields to the revolver, grenade launcher, and grenades. Not only did I feel safe while using your products I thoroughly enjoyed the experience. The video footage captured during the demonstrations was wonderful and really showcased your products.

Barry, your business highlights the innovation in the region. It is impressive to see the how your face shields have evolved overtime and how you have modified and redesigned it to be helpful in the fight against COVID-19.

We look forward to continuing to support the continued growth of Lamperd Less Lethal in the Sarnia-Lambton area.

Thank you,

Karen Richards
Economic Development Officer
Sarnia-Lambton Economic Partnership
